GENERAL INFORMATION

FIRST NIGHT OF THE SEASON

We will commence this year on **Friday 19th November** at 6pm. **NB: Uniform sales and registrations will be available from 5pm for the following 2 Friday nights.**

FRIDAY NIGHT EVENTS

It is our aim to commence events promptly at 6.30 pm. Some events start at 6.10pm for older athletes. To enable this to happen please ensure you are at the ground by 6 pm for adults to scan the QR attendance code and athletes to meet their age manager and get their attendance recorded. Any parent who is able to get to the grounds by 5pm is more than welcome to assist us with setup. Age managers, starters, track recorders and event managers need to be ready at 6.00 pm. Parents who have signed up for a parent duty also need to be present and have their helpers vest and be at the event by 6.20pm ready for the athletes to commence competition. (Refer to the '*PARENT & ATHLETE PARTICIPATION & RESPONSIBILITIES*' and the '*ROSTER SYSTEM for PARENT HELPERS*' sections.)

On some Friday nights throughout the season there are no events held due to school holidays and Championship events. Please refer to the '*SEASON CALENDAR*' at the end of this handbook.

REGISTRATION FEES

Due to the constraints placed on us by Covid-19 and the delay to the start of the season it has been decided that all athletes will be a flat fee of \$100 each. No family discounts but Active Kids vouchers may be used. Tiny tots will be \$80 each.

This season we are trialling a Tiny Tots age group only for siblings of registered athletes and only for those turning 5 in 2022. (born in 2017)

All new registrations must produce one of the following when registering as proof of age; original Birth Certificate, Hospital Blue Book or Passport. Athletes must be siblings/step siblings in one family to be eligible for multi athlete pricing structure.

INSURANCE

Athletes and officials are covered by insurance taken out by Little Athletics NSW (LANSW). For insurance purposes, it is important that all parents sign on in the age group folders. All parents rostered on to assist must also sign on the parent roster. Any incidents should be reported to the canteen.

CONDUCT

The committee reserves the right to remove an athlete from competition if the athlete's behaviour is deemed to be dangerous or disruptive to other athletes or to the running of the nightly program. Refer to the section on '*PARENT & ATHLETE PARTICIPATION & RESPONSIBILITIES*'.

CANTEEN FACILITIES

The Centre operates a canteen on each competition night. Hot foods, drinks, snacks, tea/coffee and lollies are available. A barbecue also operates. All profits go to the Centre.

CENTRE POLICIES

A full copy of Centre policies, including the Awards Policy is kept in the Clubhouse and are also accessible on our website. If you have any questions please speak to a committee member. To be eligible for end of season awards athletes must compete in **at least 60%** of timetabled events including three competition nights after the Christmas break and parents (guardians) must nominate for and complete at least 6 nights of duties throughout the season.

AGE MANAGERS

Age Managers are appointed for each boys' age group and each girls' age group at the start of the season. (Groups with small numbers will only have one age manager and some of the older age groups may share a manager between the boys and girls depending on numbers). Due to changes around Covid-19 restrictions they will be responsible for checking athlete attendance for their relevant age group, for marshalling athletes and for ensuring athletes practice hand hygiene and social distancing as much as possible. Age Managers are an athletes/parents first point of contact if you have any questions. Should you wish to volunteer for this role in an age group please indicate when you register your child or let one of the Committee members know soon after. Some age groups are combined if the numbers are not large and thus an age manager in these groups would be responsible for the combined age groups and ensuring they **stay together and compete together**.

All Age Managers will be required to provide a valid Working with Children Check and send details to president@revesbylac.org.au. If you have already provided, please check the expiry date and send renewal details if applicable.

Age Managers will also need to complete an online COVID-19 Infection Control Course: <https://covid-19training.gov.au/login>

and submit the certificate to the secretary@revesbylac.org.au prior to assuming the role of Age Manager

WEEKLY RESULTS

Families will be given a family logon for Results HQ which is the recording program we use. You will be able to view your child's results as soon as they are available by going to the website <https://www.resultshq.com.au>

CENTRE NEWSLETTER

A Centre newsletter will be produced regularly during the season to keep all athletes up to date with Centre news. It also provides information about LANSW Championships, gala events held at other Little Athletics centres, coaching camps and officials' courses. If you have any suggestions for items to include in the newsletter, please contact the Centre's Publicity Officer. The Newsletter will be available on the website and a limited number are printed and available at the Centre.

CENTRE NOTICEBOARD

CENTRE RECORDS

Centre records for all ages and events are kept at the Clubhouse and are also accessible on Results HQ. These records are updated during the season as records are broken and verified. Centre Record Certificates are presented at the end of the season for all new records set. New records may only be set on centre competition nights.

UNIFORMS

Our Centre uniform has been approved by LANSW and must be worn by all athletes on each competition night and is compulsory at all Little Athletics NSW Championship Events. ***Again an allowance has been made for athletes this season only, that uniform is not compulsory due to the late start to the season however athletes not wearing uniform must be wearing a plain coloured top and shorts and have their Registration patch and age patch securely pinned on at all competition nights. No registration patch or age patch means no recorded results. If athletes wish to compete in any competition outside the Friday night Centre competition they must wear the uniform as below.***

Our Centre uniform is as follows:

Maroon, black and white singlet with maroon black and white shorts OR maroon black and white bike pants

OR

Maroon, black and white crop top with maroon black and white shorts OR maroon black and white bike pants.

Plain black bike pants or compression shorts with black stitching may be worn underneath the maroon shorts. They will then be issued with a separate registration number for senior competitions.

We will be having coaching in middle distance running events on Tuesdays and Thursdays in September at 4.45pm (TBC). There will also be sprint training on Tuesdays at 4.45pm. Please enquire at the Centre for more information on these coaching sessions. Other coaching sessions will be notified as soon as they are known.

OFFICIALS COACHING COURSES

Interested parents and guardians are encouraged to attend officials / coaching courses run by LANSW. For more information, please check the noticeboard or refer <https://lansw.com.au/coaching-education-workshops/>

PARENT & ATHLETE PARTICIPATION & RESPONSIBILITIES

Children cannot be dropped off at RWLAC and left unattended. They must be accompanied by a responsible adult at all times.

(In this section, 'parent' means 'parent, guardian or nominated responsible adult' and 'centre' means 'Revesby Workers' Little Athletics Centre'.)

As a voluntary organisation, Revesby Workers' Little Athletics Centre is reliant on parent and guardian participation for the safe and efficient running of each night's program. There are no paid officials. We are all volunteers.

1. A parent must be in attendance while their athlete is competing

Should an athlete become ill or be injured, a person able to make decisions for the athlete must be available at the venue.

An athlete will only be allowed to compete when that athlete's parent (or responsible adult) has scanned the QR code for attendance and the child has reported to the age manager.

Should any athlete attend without a parent (or responsible adult), that athlete will be required to sit aside from competition until the adult responsible for that athlete reports to a Centre official and scans in.

Should the behaviour of any athlete be considered dangerous to other competitors or themselves or generally disruptive to the running of an event, a parent (*or responsible adult*) will be required to take control of the athlete in question.

Should the athlete's poor behavior continue, the parent (or responsible adult) would then be required to remove the athlete for the remainder of the evening's events.

2. Athletes and parents must arrive for competition evenings no later than 6:00pm, events will start at 6:30pm sharp. (Week 1 3000m for U13-U17 starts at 6.10pm, Week 2 1500m for U11-U17 starts at 6.10pm and Week 3 Walks will start at 6 pm for U9-U17). Saturday afternoon competitions in September will commence at 2pm each Saturday.

To ensure that competition evenings do not run too late it is important that the program starts on time and runs smoothly.

In order to allow sufficient time for the marking of age group attendance for the athletes it is essential that everyone is available no later than 6:10pm. Athletes will be called to the marshalling area at this time.

Events will begin at 6:30pm sharp regardless of attendance. Late arrivals will not be allowed to compete until they have reported to the age manager and the athlete's parent has scanned in to the QR code for attendance.

3. A parent must assist with the running of events on a rostered basis and when not on roster must not be anywhere on the field of competition. The field of competition is the fenced oval and all the field event areas. The boundary of the spectator area will be the path leading to the field event area.

It is a requirement of Revesby Workers' Little Athletics Centre that at least one parent of a registered athlete assists in the running of events on at least **6** competition nights in the season. Each family will be able to choose their rostered nights and duties through an app called Signup. On the weeks when parents are not rostered to an event they are not able to follow the age group around due to the COVID-19 restrictions in place and must maintain social distancing in the spectator areas. **Athletes will not be eligible for end of season awards if their parent has not completed at least 6 duty sessions in the season.** Some parents may choose to nominate as an age manager or assistant age manager and will be expected to accompany their age group every week of competition.

Participation of parents will be monitored through the Sign up app..

Continual breaches of the above requirements may result in discontinuation of that athlete's membership and may put in jeopardy that athlete's eligibility for end of season awards. Such a decision will be at the discretion of the Revesby Workers Little Athletics Centre Committee.

4. The committee will decide on eligibility for participation points.

One participation point is awarded to each athlete for each event that they participate in. **Participation, for the purpose of awarding participation points, is defined by the Centre as “a serious attempt by an athlete to compete in an event in which that athlete is medically fit to compete”.**

This means that an athlete who is considered to have entered an event with no intention of making a reasonable attempt to compete **to their ability**, or who is too sick to compete, or who has an injury which would prevent them from making a serious attempt or who has an injury that would be badly aggravated by competing, will not receive a participation point for that event. The committee will decide on eligibility for participation points.

ROSTER SYSTEM for PARENT HELPERS

The athletics programme cannot run without a large amount of parental assistance from week to week. This season we will be running a roster app whereby one parent from each family must nominate to assist at an event at least seven times in the season (or more often if they wish) The adult must stay with the event nominated until completed for the evening and assist with packing up of that event.

We also require at least 15 people each week to fill the key positions of track and field officials and assistants. Having these key positions filled with regular and experienced people should help to get the events underway on time and also maintain order and consistency. The duties are:

- 3 Track Starters
- 3 Track Recorders
- 4 Field Event Managers (Shot Put, Discus/Javelin, High Jump and Long/Triple Jump)
- 3 Extra Assistants (Announcing /Sign-on Table & 2 for Canteen/bbq)
- 2 Data entry operators (entering results as they become available throughout the night)

Should you wish to undertake one of these key roles please let a Committee member know at sign on or on the first night. Any parent can complete a Level 1 judging certificate for one of these key roles and we will be promoting this throughout the season.

All other parents who are not Age Managers and do not have one of the above positions are required to nominate on the Signup App to assist at an event. You will be needed as timekeepers for some track events and to assist with measuring, retrieving and recording, etc. at all field events. There may also be assistance required in the Canteen, in Data entry and at the BBQ each week. If you are not rostered or an age manager then you are welcome to watch from the spectator area and must not enter the competition area.

All families will be issued with a coloured vest and we ask that you bring and wear this when you have nominated to do a rostered duty. (Should you still have your vest from last season please bring and use this).

SUMMARY OF AWARDS

The majority of awards are presented at a presentation evening at the end of the season. A full copy of the Awards Policy is kept in the Clubhouse and on our website. If you have any questions please speak to a committee member. To be eligible for end of season awards athletes must compete in at least 60% of available events including 3 competition nights after the Christmas break and parents (guardians) must complete at least **6** rostered duties throughout the season.

THREE WEEK PROGRAM 2021-2022 (To be confirmed depending on registration numbers)

- This program is subject to modification depending on registered numbers in each age group however all athletes will compete in all events listed over the 3 week period.
- This season we are very grateful to once again have the assistance of some of our past parents to judge the walks. To facilitate the smooth running of this event walks will be run at 6.10 pm on the week 3 night and there will be 3 races, a 700m, 1100m and 1500m with age groups combining within these distances. We encourage any athletes intending to enter the walks at Zone championships or any who are serious about the walks event to compete in this.
- We will also run the 1500m and 3000m at 6.10pm on their respective weeks.
- (NR) = Non Recording Event – Any events marked as Non-recording are run to give the athletes some exposure and coaching in these events and athletes are encouraged to participate in these events.
- Athletes will be given a participation point only if they participate in the event. A recording sheet will be provided to record participation but results will not be recorded in our system.
- Highlighted Events will not be recorded until after the September school holidays so we have had an opportunity to instruct them. Recording sheets will be printed for these events and athletes will gain a participation point for attempting them.
- On-Track sessions are designed to teach the younger athletes skills to facilitate their ability to compete in the various events.

As the season progresses we will add in more recorded events for these athletes.
